Dear Bidder

RE: EXTENSION OF TENDER VALIDITY PERIOD

We refer you to tender number EWSETA/RFP/14/2020 for the provision of Outsourced ICT Management Services for a period of three years as advertised and which you have responded to by submitting your proposal. The tender validity will expire on the 30 November 2020.

Due to unforeseen circumstances, EWSETA has not been able to complete the evaluation process prior to the expiry of the tender validity period as was specified in the tender notice. EWSETA herewith wishes to extend the tender validity period from 05 November 2020 to 30 November 2020.

Kindly confirm that the prices will remain the same. Please indicate below your acceptance of this request and return signed letter to scmadmin@ewseta.org.za. Should we not receive any feedback, EWSETA will regard it as acceptance of the extension of validity.

Yours Sincerely
Dickson Kutsawa
SCM Manager
