Dear Stakeholder

**RE: APPLICATIONS FOR ACCREDITATION FOR QUALIFICATIONS THAT ARE DUE TO EXPIRE IN 2023**

All Skills Development Providers (SDPs) who are currently accredited by the Energy and Water Sector Education and Training Authority (EWSETA) for legacy qualifications are reminded that all legacy qualifications are due to expire in 2023/2024. The following dates apply to legacy qualifications:

1. Last date of SAQA registration of the qualification: 30 June 2023
2. Last date of learner enrolment by accredited SDPs: 30 June 2024
3. Last date of Certification (Phase out period ends): 30 June 2027

All SDPs who are currently accredited for legacy qualifications will be required to apply to the QCTO to be accredited for occupational qualifications. This application may be completed online. Please refer to the QCTO website.

Any Skills Development Provider who would like to apply for accreditation for legacy qualifications must apply to the EWSETA by 28 February 2023. Applications are to be done via our online accreditation system.

All existing legacy qualification accreditation will be granted an extension until the phase out period is over however, this may be subject to site visits from the EWSETA.
