1. BACKGROUND INFORMATION

The Energy and Water Sector Education and Training Authority (“EWSETA”) is a statutory body established through the Skills Development Act of 1998 to enable its stakeholders to advance the national and global position of the energy and water sectors in the large, medium, small levy paying and non- levy paying companies across the sector.

This was because of government commitment to promote active labour market policies and is demonstrated in the Skills Development Act of 1998 and the Skills Development Levies Act of 1999. As guided by its mandate, the EWSETA is an agent of transformation by promoting employment equity and broad-based black economic empowerment (B-BBEE) through skills development. In this context, the EWSETA is keen to form sustainable partnerships and/or collaborations that will further promote its support for transformation.

EWSETA as the Quality Assurance Partner (QAP) is duly responsible to the Quality Council for Trades and Occupations (QCTO) for executing quality assurance activities for water qualifications. EWSETA undertakes the responsibility of ensuring that skills development providers adhere to the highest standards of quality when training and assessing learners.

2. OBJECTIVE

To ensure that training providers have the necessary resources, capabilities to deliver quality training, and adherence to Occupational Health and Safety Act (OHSA) and Department of Labour (DOL) requirements, EWSETA requires the services of a qualified water expert who will carry out the functions of monitoring and making recommendations to the Quality Assurance and Compliance Manager for the Accreditation, Re-Accreditation and De-Accreditation of Skills Development Providers who offer training within the scope of water and closely related occupations.

3. SCOPE OF WORK

The EWSETA requires water subject matter experts to assist with all water / plumbing related qualifications by conducting site visits, consultations and to provide reports for a period of three (03) years on behalf of EWSETA, nationally for the following:

3.1 Type of services

- 3.1.1 Accreditation site visits / audit visits and recommendations.
- 3.1.2 Learning material evaluation.
- 3.1.3 Workplace site visits and recommendations.
- 3.1.4 Site monitoring and evaluation, which will cover and also include QCTO registered occupational qualifications.
- 3.1.5 Induction capacity building sessions (Health & safety, introduction to water best practice mentoring sessions);
- 3.1.6 External moderation;
- 3.1.7 Transfer of Skills to EWSETA practitioners for all areas stated above.

- 3.1.8 Provide a full inspection and provide a report on the following: Suitability of the Skill development learning material, Assessment tools and all additional criteria that will assist the AQP in capacity building, accrediting, Monitoring and Evaluation Skills Development Providers and workplaces that would like to be accredited to offer or participate in utilization occupational Qualifications within the scope of water sector;
- 3.1.9 Project monitoring and reporting to EWSETA and;
- 3.1.10 Conduct due diligence for discretionary grant committee
- 3.1.11 Attending meetings or workshops as may be delegated and reporting the outcomes thereof to EWSETA and other related activities as needed.

3.2 Terms of appointment

EWSETA does not guarantee that successful Bidders will receive work during the appointment. term. Service providers will be used on an ad hoc basis as and when required.

3.3 Panel Utilisation

The Panel will be utilised as and when requirements arise and in accordance with the guidelines below:

- 3.3.1 Appointment onto the Panel will not guarantee any future work.
- 3.3.2 EWSETA will utilise the Panel in a manner which promotes transparency, fairness and equal opportunity in the utilisation and management of the Panel.
- 3.3.3 Bidders may further be categorised into their areas of specialisation based on their field of expertise based on their technical proposals. Once a service provider is on the panel, work will be allocated on a rotational basis depending on the category each bidder is allocated into.

3.4 Duration of the panel

The Panel will be valid for a period of three (3) years.

4. EVALUATION CRITERIA

4.1 Stage 1: Pre-Qualification Criteria

4.1.1 Submission of Compulsory Documents:

Prospective bidders must comply with the requirements and submit all required documents indicated hereunder with the bid documents at the closing date and time of bid. This phase is not scored and bidders who fail to comply with all the mandatory criteria will be disqualified.

- 4.1.1.1 Prospective bidders are required to provide proof of registration with the Central Supplier Database by submitting the CSD report. In case of a Joint Venture, each party must provide proof of registration with CSD.

10. ANNEXURE 2 - EWSETA GENERAL CONDITIONS OF CONTRACT

General

EWSETA and the Supplier enter into an order/contract on these conditions to supply the items (goods/services/works) as described in the order/contract.

Conditions

These conditions form the basis of the contract between EWSETA and the Supplier. Notwithstanding anything to the contrary in any document issued or sent by the Supplier, these conditions apply except as expressly agreed in writing by EWSETA. No servant or agent of EWSETA has authority to vary these conditions orally. These general conditions of purchase are subject to such further special conditions as may be prescribed in writing by EWSETA in the order/contract.

Price and payment

The price or rates for the items stated in the order/contract may include an amount for price adjustment, which is calculated in accordance with the formula stated in the order/contract. The Supplier may be paid in one currency other than South African Rand. Only one exchange rate is used to convert from this currency to South African Rand. Payment to the Supplier in this currency other than South African Rand, does not exceed the amounts stated in the order/contract. EWSETA pays for the item within 30 days of receipt of the Suppliers correct tax invoice.

Delivery and documents

The Supplier's obligation is to deliver the items on or before the date stated in the order/contract. Late deliveries or late completion of the items may be subject to a penalty if this is imposed in the order/contract. No payment is made if the Supplier does not provide the item as stated in order/contract.

Where items are to be delivered the Supplier:

Clearly marks the outside of each consignment or package with the Supplier's name and full details of the destination in accordance with the order and includes a packing note stating the contents thereof; On dispatch of each consignment, sends to EWSETA at the address for delivery of the items, an advice note specifying the means of transport, weight, number of volume as appropriate and the point and date of dispatch; Sends to EWSETA a detailed priced invoice as soon as is reasonably practical after dispatch of the items, and states on all communications in respect of the order the order number and code number (if any).

Containers / packing material

Unless otherwise stated in the order/contract, no payment is made for containers or packing materials or return to the Supplier.

Title and risk

Without prejudice to rights of rejection under these conditions, title to and risk in the items passes to EWSETA when accepted by EWSETA.

Rejection

If the Supplier fails to comply with his obligations under the order/contract, EWSETA may reject any part of the items by giving written notice to the Supplier specifying the reason for rejection and whether and within what period replacement of items or re-work are required.

In the case of items delivered, EWSETA may return the rejected items to the Supplier at the Supplier's risk and expense. Any money paid to the Supplier in respect of the items not replaced within the time required, together with the costs of returning rejected items to the Supplier and obtaining replacement items from a third party, are paid by the Supplier to EWSETA.

In the case of service, the Supplier corrects non-conformances as indicated by EWSETA.

Warranty

Without prejudice to any other rights of EWSETA under these conditions, the Supplier warrants that the items are in accordance with EWSETA's requirements and fit for the purpose for which they are intended and will remain free from defects for a period of one year (unless another period is stated in the Order) from acceptance of the items by EWSETA.

Indemnity

The Supplier indemnifies EWSETA against all actions, suits, claims, demands, costs, charges and expenses arising in connection therewith arising from the negligence, infringement of intellectual or legal rights or breach of statutory duty of the Supplier, his subcontractors, agents or servants, or from the Supplier's defective design, materials or workmanship.

The Supplier indemnifies EWSETA against claims, proceedings, compensation and costs payable arising out of infringement by the Supplier of the rights of others, except an infringement which arose out of the use by the Supplier of things provided by EWSETA.

Assignment and sub-contracting

The Supplier may not assign or subcontract any part of this order/contract without the written consent of EWSETA.

Termination

EWSETA may terminate the order/contract at any time (without prejudice to any right of action or remedy which has accrued or thereafter accrues to EWSETA):

If the Supplier defaults in due performance of the order/contract, or if the Supplier becomes bankrupt or otherwise is, in the opinion of EWSETA, in such financial circumstances as to prejudice the proper performance of the order/contract, or for any other reason in which case the Supplier will be compensated for all costs incurred.

Governing law

The order/contract is governed by the law of the Republic of South Africa and the parties hereby submit to the non-exclusive jurisdiction of the South African courts.
