1. BACKGROUND INFORMATION

The Energy and Water Sector Education and Training Authority (EWSETA) is a statutory body established through the Skills Development Act No 97 of 1998 (the Act) to enable its stakeholders to advance the national and global position of the energy and water sector by facilitating the effective development of skills required to respond to related imperatives as envisaged in the National Development Plan (NDP).

The EWSETA is strategically positioned as an authority of skills development that effectively supports Government national plans and strategies. Furthermore, EWSETA is responsible for responding to the many skills-related needs of the sector and its respective labour markets.

By carrying out its primary mandate, the EWSETA incrementally achieves skills development imperatives and related outcomes over the long term.

2. OBJECTIVE

The Energy and Water Sector Education and Training Authority (EWSETA) hereby invites reputable and experienced activation specialists with a national footprint to represent EWSETA at various Career Guidance exhibitions and events throughout the country for a period of thirteen (13) months. Our focus is predominately on rural schools with high school learners and will include attendance at DHET career expos, industry career events at Higher Education Institutes, community career days and school career fairs as and when required.

3. SCOPE OF WORK

The selected activation specialist will be responsible for the following tasks on behalf of EWSETA:

3.1 Assigning a dedicated team of young, vibrant, and enthusiastic career guidance facilitators per province as follows:

- Made up of preferably young unemployed graduates in the energy and water sector who will be able to attend and conduct various career guidance initiatives on behalf of EWSETA.
- Ideally a team of 3 to 4 people based in each province.
- The members of each team must be able to speak English fluently and the vernacular of the province they are based in (Afrikaans as an additional language will be required in Provinces such as Western Cape, Eastern Cape, Northern Cape, and Free State).

- Each event will require a team of 3 to 4 young, dynamic individuals who have exceptional work ethic and who are relatable to students.
- The dedicated team must be creative, innovative, reliable, ambitious and work well in a small team.
- The teams will be expected to understand EWSETA's mandate, our energy and water sectors, current and future career opportunities, our qualifications etc and be able to communicate this information in a fun, energetic, informative and inspirational manner.
- EWSETA will provide all information related to EWSETA and our qualifications and conduct regular capacitation workshops with the teams, however, the teams are expected to do their own research on a continuous basis.
- The teams will not be required on a full-time basis. They will only be deployed when there is a career guidance event EWSETA is planning or has been invited to attend within the province they are based. Therefore, they will only be paid based on time sheets for all EWSETA engagements.
- For continuity and a consistent experience, every attempt should be made to keep the same members of each team throughout the year. There will be significant knowledge and information shared with these facilitators and it will be counter-productive to onboard new members constantly.

3.2 Representing and Conducting Career Guidance exhibitions and events in rural and urban high schools / areas as and when EWSETA receives such invitations or as per EWSETA planned interventions. This includes the following:

- Liaising with EWSETA marketing team to get all event details.
- Make preparations to attend i.e. travel, accommodation (if required), subsistence, meals, etc.
- Ensure EWSETA branding, promotional items, and marketing material are checked and sufficient for the event. If not, liaise with EWSETA marketing to ensure items are couriered ahead of time.
- Liaise with the event organisers to ensure all venue and set-up arrangements are made
- Set up and strike down EWSETA career exhibition stand on the day/s of the event.
- Ensure the EWSETA stand is always presentable, clean, tidy, and manned for the duration of the event and that the team is dressed in EWSETA-issued branded clothing (such clothing must be kept in a clean and professional state for the full contract period).
- Engage with the learners on career information and disseminate information and promotional items accordingly.

- Be able to present a standard EWSETA career guidance presentation if required.
- Ensure all EWSETA reporting requirements are met i.e. signed registration lists, pictures / video clips of each event / social media copy so EWSETA can post etc.
- Submit a post event report per event together with all required supporting documentation within 5 working days after the event.
- Transport and check all branding and marketing material to ensure all are in good working order / usable after the event and arrange for delivery to EWSETA.

3.3 Attending DHET career expos, industry career events at Higher Education Institutes, community career days and school career fairs as and when required.

3.4 Conduct LO Teacher Workshops. This includes the following:

- Liaise with the EWSETA marketing team to determine if a LO Teacher workshop is required at the career event.
- Ensure an Agenda for the Workshop.
- Make preparations with the event organisers for the LO Teacher Workshop (venue, presentation, registration lists, promotional items, etc).
- Set up the venue with branding.
- Present the workshop presentations and facilitate sessions.
- Manage Q&A sessions.
- Ensure all EWSETA reporting requirements are met i.e. signed registration lists, pictures/video clips of each event / social media copy so EWSETA can post, etc.
- Submit a post-event report per event together with all required supporting documentation within 5 working days after the event.
