## 1. BACKGROUND INFORMATION

The Energy and Water Sector Education and Training Authority (“EWSETA”) is a statutory body established through the Skills Development Act No. 97 of 1998 (the Act).

This was as a result of government commitment to promote active labour market policies and is demonstrated in the Skills Development Act of 1998 and the Skills Development Levies Act of 1999. As guided by its mandate, the EWSETA is an agent of transformation by promoting employment equity and broad-based black economic empowerment (B-BBEE) through skills development. In this context, the EWSETA is keen to form sustainable partnerships and/or collaborations that will further promote its support for transformation.

The EWSETA supports stakeholders in advancing the national and global position of the energy and water sectors through large, medium, and small companies, which include levy and non-levy paying entities.

## 2. OBJECTIVE AND SCOPE OF WORK
